

Comprehensive accident

markelAH.com

Markel's comprehensive accident policy covers expenses resulting from an accidental injury. Costs are low because expenses resulting from sickness or disease are not covered. Coverage options are many, and your clients are protected at home and when traveling. Best of all, it's incredibly easy for you and your clients. Just provide a special website link to your customers, and everything is handled for you—including detailed reports tracking your accounts and commissions.

Target classes

- Recent college graduates
- People who are between jobs or waiting for group coverage to begin
- Seasonal workers
- People who are unable to afford comprehensive health insurance

Program features

- Instant issue, next-day coverage
- Limits to \$1 million
- Guaranteed issue – no medical questions
- Child-only coverage available
- Affordable monthly payments – typically \$25 to \$35

Distribution channel

General agents
